

Art.-Nr: MY5
myControl plus (MY) Central battery system Combination cabinet
Central battery system, Combination cabinet, DCM, LDM, Leuchten

MAX. 4 MAINS CIRCUITS / 500 W, 1H / MAX. 80 LUMINAIRES

The myControl is the latest development of our systems family and fits seamlessly into our product series of decentralized LowPower systems.

The myControl meets a fire section related concept of decentralization of LPS systems in fire zones, similar to a single battery system, with emphasis on centralized control and monitoring. The myControl is available in four different variants or versions. Due to this, the myControl realizes excellent value for money.

Each myControl is networked via TCP / IP addressing and can be integrated into an existing or separate network to realize a central visualization in the project.

More information

TECHNICAL DATA

Inserts	0 pcs.
Number of circuits	4+1(Hilfsstromkreis)
Loader	Yes
Modules SAM	Yes
IO modules	Yes
CCIF	Yes
Connectable	Optional
Outgoing UPS	No
Battery compartment	Yes
Supply power 1 h	500 W
Supply power 3 h	210 W
Supply power 8 h	90 W
Input voltage AC	230 V V
Input frequency	50 / 60 Hz
Output voltage AC	230 V
Material	Steel sheet, Aluminium
Housing color	RAL 7035

Insulation class	IP20
Insulation class	IP20
Depth	125 mm
Width	450 mm
Height	900 mm
Weight	14.2 kg
Weight	14.2
Customs tariff number	85371098

As of: 10.07.2024 - Subject to technical changes and errors.
